At Bute Assembly meeting of Representatives

The Representatives to the Assembly meeting attended to their credentials and were received.

Our beloved Brother Archibald Cameron attended this meeting having a certificate of unity and love from Dundee Old Meeting of Friends held at South Queensferry dated 3 Month 19th 1886 His ministry and services among us have been truly acceptable and edifying to us and the Church is directed to forward their unity & love to Friends.

The following Minute has been received and read at this time viz-

The following is a minute of the Representative Meeting of the Yearly Meeting of Friends for Scotland at a special meeting of that body held in Scotland House Bute 19th 1885.

The Representatives Members of the Yearly Meeting of Friends for Scotland, have unanimously felt our Members concerned to bear and testify to said Yearly Meeting and the important views we entertain in relation to the Doctrine contained in Minute No 33. of the minutes of 1885. which is as follows viz-

"We desire to put on record that from all testimonies which we feel to accord with the teachings of our Religious Society and the teachings of the New Testament, We believe in the Spiritual nature of Christ's Kingdom and that all outward ceremonies have been fulfilled and ended in Him. This meeting records its judgement for the guidance of its subordinate meetings that the holding or teaching of any doctrines cannot be allowed in acceptable Ministers of the Society of Friends, within our limits.

And the Representatives meeting desires and directs that Endorsement

Members in said Yearly meeting should not receive the Certificate, or issue returning requests for members or others in cases in which any doubt exists as to the unity of such person with said Yearly meeting or its institutions. And it further authorizes and direct the Clerks and Correspondents of said Subordinate meetings to withhold their Signatures from such Minutes if issued or attempted to be issued.

The Meeting was brought under an exercise for the welfare of the Church in the present engagings. It was the desire of the Meeting to uphold that which is good, while it testifies clearly against anything that would conflict with the doctrines or established practices of the Society of Friends in regard to. the so called unbaptized ministers or other fundamental principles.

The Standing Committee Benjamin Hanson, Richard Bailey, Moses Dame Edmund Bailey, Ellen B. Bickford, Samuel B. Hussey, George Rowland Jr. Susan D. Shorey Wm. Albert Hurd, Martin B. Hurd, and Rhoda Spinney, a committee to attend Quarterly Meetings, and to advise and assist in preventing such Ministers or others not in unity as have Minutes from being received or endorsed by Friends a Subordinate meetings, conformably to the concern of this meeting and the object of the foregoing minute.

Friends met on the evening of 5th Mo. 8th 1901 to celebrate the Centennial of the establishing of Bolton Monthly Meeting. The exercises were opened with prayer and Charles H. Jones of Amesbury delivered an interesting address on the Doctrines of Friends. The Asst-Clerk had prepared and read an historical account of the Monthly Meeting commencing way back in 1779 when it was first desired to have a Monthly Meeting established at Bolton. The account is as follows —

In looking over the old records to find the material for this historical report I found nothing previous to 1779, but in a book of historical collections in the description of Bolton it says the town was incorporated in 1738 and that there was a Society of Friends in this town and Berlin consisting of a large number of wealthy families.

At that time they must have met in private houses for worship, as no mention is made of belonging to

Salem Monthly Meeting. In 1779 they requested of Salem Monthly Meeting the privilege of holding a Preparative meeting here in Bolton.

The Committee appointed last quarter to visit Uxbridge Monthly Meeting and Bolton Preparative Meeting made the following report. The Committee in case of Bolton Preparative Meeting's request to be set off or constituted a Monthly Meeting report that we have all except one visited that Preparative Meeting consisting of about 22 families containing about 130 members who appear to be well accommodated with a meeting house and school house near it and are conveniently situated to attend their meeting at home but being about 25 miles from the place of holding the Monthly Meeting of Uxbridge to which they belong renders it impracticable for many of them to attend as often as is desirable, though they appear well inclined.
We have all attended Uxbridge Monthly Meeting since the last and according to our judgment it may be safe for the Quarterly Meeting to indulge Friends of Bolton Preparative Meeting with a Monthly Meeting on the usual terms provided it be held at such time and place as may be found most convenient to accommodate it yet appears best to defer the request.
Remains a part of Uxbridge Select Meeting all of which is submitted to the Quarterly Meeting by Elizabeth Sprague, Deborah Greene, Lydia Smith, Lydia Hicks, Jonathan Knowles, Rufus Smith, Elisha Brown, Moses Bullinton, William Bullinton and Joseph Hazard.

But we're wasting precious time
On the close-rolled scroll of the vanished years
With its faithful story told
In the pleasant spirit of the earlier days
With the record of ancient names and ways
And its wealth of tradition old.

For lord we confess to the sinful crime
Of forcing the ways of an earlier time
On the needs and needs of the present age:
But we will extol from the treasured roll
The light of a lamp and a beacon pole
And a guide in our troubled pilgrimage.

For the Quakers serene and quiet trust
In a heritage as pure as gold and dust;
A wealth beyond all count or price;
And we're proud that we come of a sturdy stock
Whose feet-shod pain on the rugged rock
Of honesty, truth and righteousness.

Who turning their backs on the lust of gain
And the flowery pathway of loss and pain
Walked by the mighty love they bore.
And from their grasp what the lesheld dear
For to them as to wandering Israels seer
"The reproach of Christ" was more.

And whithersoever their feet they turned
Wherever the fires of their altar burned
The scroll of its incense told
Of a spirit schooled to serve and endure,
Of a purpose lofty and grand and pure.
And a manner as meek as bold.

Their tasks the quiet-faced ones chose
Where the walls of their meeting-houses rose
With the name of the inward light a vow;
And they stood for a heart-felt worship, freed
From the chains of ritual form and creed,
And the letter of worldly show.

They stood for a new life apart
From the strife of towns; they stood for a heart
That knew no passion but love of the race;
And love that shone in the wood-man's eyes
In spite of his fortune's worse surprise
Bid a wood-in the matron's placid face.

The weapons they wielded were faith and trust,
To settle their orders, nor doubt it, first
Their opponents came with the bayonet;
But the source of their fervent martyr-fire
Or the ground of a mystical peace with the world,
Came in the love of each other, and not

With a latent mettle and courage strong
They set their heel on the neck of wrong,
And overcame through their native grit
As they yielded themselves for their lowly task,
And the wily savage dazed his mask
Upon the face of their sky above was it.

So the Quaker has trodden the century's track
To marvel severance in a place of black
Should ferment there in the flock be found-
Some one weary with toil and pain
May content himself with a corner plane
From the worthy fat vantage ground.

We shrink not in horror nor count it strange
That the years in their fleeting be marked with change,
For the old must give place since to the new;
One fact remains - the plant of Truth
Shall nourish and grow in her eternal youth
With its need of reading, for God be true.

So gather and twist it in our minds we bring
To twine in the century's offering
Round the worthy names of a far off day;
And better than laurel as evermet
To square our lives by the pattern set,
And to serve our age as nobly as they.

To Bolton monthly meeting of Friends.

The conduct of our active members in their relation to one another and to the world, is in most cases above reproach.
Spiritual life is deepening we trust, but the love whereby "All men shall know that ye are my disciples" and that is. "careful of the reputation of others" is not always fully manifested. Our nominal membership some because of their long distance from meeting and some from indifference, is of little help to the meeting, but in most cases, these are upright honest citizens

Of our congregation on First day morning and at Bible School fully one half are not members of our meeting. Many of them are children and young people. We are glad to report that three of these have become members of the meeting this year upon confession of faith in Christ.
There is usually a good attendance at Sabbath morning meetings but business meetings are very poorly attended.
No new Christian work has been taken up this year.
The Christian Endeavor Society discontinued its meetings through the severe winter weather
The Junior C. E. is carried on to some extent in the Bible School classes.
The Home Department has some very interesting members.
The clerk is directed to forward the same to the Quarterly meeting.
Having transacted all our business we adjourn to meet again at the usual time next month.

The queries were read & the state of society was considered, and at this time there is evidence of healthy growth and development in Christian life in some of our members.

The earnestness and loyalty manifested by some of our younger people and children in attending our meetings for worship, Bible

school and Christian Endeavor is very noticeable and gives hope for the future of our church.
With our small resident membership and many unfavorable circumstances we think that the record of the year's activities along our various lines of work is good.
Yet we humbly acknoledge that had we "Received of His fullness and grace for grace" as fully as it is promised more definite results would have followed our "Epeyde for the conversion of sinners and for the building up of Believers."
To this end prayers both private and public are being offered to Him who is the Life.
May we not unite in the prayer that throughout the Quarterly Meeting may come the "Endowment of power from on high." which is directed to be forwarded to the Quarterly Meeting.
Our business at this time being accomplished we conclude by choosing to meet again at the usual time next month.

attend the ensuing Quarterly Meeting
to be held in Bolton and they are requested
to report their attendence next month.
The following report as to the state of Society
has been received and read at this
time and is directed to be forwarded to the Q. M.
There has been faithful effort by interested
members in all our regular lines of work.
With few exceptions our resident membership attend meetings for worship when
able to do so. others not members attend
our meetings regularly, besides occasional visitors. There has been a marked
increase in the attendence of our business
meetings the last year. Many of our
families have daily family devotions.
We believe there is an advance in the
practical working out of the spirit of brotherly
love among our members, and an increasing
desire to let our light be seen in the world.
Interest in the Bible school is good.

as will appear from its report.

Interest in Missions has resulted in contributions to several stations.

The W. F. M. S. sent the usual amount to the girls training home at Ramallah.

The boys training home received the increase from the childrens five cents investments. We have sent contributions to the African and Jamaica Missions and to the Chinese sufferers.

There has been a little increase in the amount collected in the envelopes for yearly meeting work. We have carried our part with the other churches of W. C. T. U. in maintaining the Union Temperance meetings in our Town.

We have had a few extra meetings during the year with visiting Ministers that have been helpful.

The Christian Endeavor has been an important factor in our work, and has omitted but few meetings during the year.

We have received three new members by request, and five from our birthright members have publicly professed faith in Christ and loyalty to the Church.

In our review of the year we see many deficiencies and much we wish was different, but we are thankful for what has been done, and praise God for his goodness to us.

The queries have been read in this meeting. The following statistical report has been received and is directed to be forwarded to the Quarterly meeting.

At Boston Monthly Meeting of Friends held

Boston on the 24th of Sixth mo

to be forwarded to the Monthly

Our meetings are usually quite

well attended by the majority from members whose circumstances permit.

We believe there is a good degree of interest towards spiritual matters and all living lives consistent with the high standard of Christian profession which has been handed down by our ancestors in the Church.

Our ministry is acceptable and edifying.

Fellowship is preserved with all our members in the Adult Bible class. Of those who have been called as we believe to the higher classroom there exist in the Church Triumphant.

By the strongest reasons there are those expecting soon to unite with us in praying that God will bless us.

We believe our watchword should ever be onward & upward, trusting that the Lord will bless us.

Alice L. Dow. Abby W. Randall. Nathan Dow & Wife are appointed representatives to attend the 2 quarterly meeting to be held in Weare, and are directed to report their attendance next month.

We desire to express our appreciation of his long and faithful service.

Accepting the office in early manhood, he gave cheerfully, freely, and faithfully of his time and scholarly ability. As we place the duties of Clerk upon younger shoulders we are looking hopefully toward the future, but it is not without regret and a profound appreciation of and thankfulness for the service of our dear friend Nathan Babcock and also for the kindly fellowship of the years.

Signed

Resolutions.

On the 23rd. day of January, 1948, Harold C. Wheeler leftbus and moved on to his eternal home. He was relatively young in years, but mature in the painful experience of physical suffering, and mature in matters of spiritual reality. This Divinely-ordained transfer leaves us with a distinct sense of loss, while we recognize that for him it was a manifestation of Divine mercy.

We shall miss his presence among us because he was so faithful in the meeting of his religious and social obligations; because he was so continuously cheerful under conditions of great difficulty; because he was so genuimely humble; because he was kind and gentle and wholesome. His unconcern for his own discomforts made him a source of inspiration and strength to all who knew him.

A life-long member of the Society of Friends, he displayed constantly the best traditions of his sect. As a membero of the Bolton Federated Church, and its Joint Committee, he gave of his time, his talents, and his strength without reservation. As a member of our choir, he warmed the hearts of many people countless times with his clear voice which came from the heart, and carried not only a musical resonance, but a conviction of faith.

Therefore, be it resolved that we, the members of the Joint Committee of the Bolton Federated Church, do hereby register for permanent record, our profound sense of loss in the passing of Harold C. Wheeler, our friend and brother.

The committee appointed last 5th month to ~~report~~ confer with Old Sturbridge Village on the removal of the Meeting House to the Village reports ~~that~~ the following proposals from the Vil-

"--- it will require a sum of $6,000 to remove and restore the building; half of which the Village offers to pay, provided the Meeting can find the other half." "If the Meeting can provide volunteer help to take down carefully from the Village in due course, and furnish transportation of materials to Attleborough, its share of the cost could be reduced to $3000 (some $600 has been included in the estimate for disassembly and trucking)"

The meeting feels that the matter of volunteer help could be unpredictable for us to consider but that trucking of the materials could be secured - reducing the cost by an estimated $600. The meeting approves the use of the Ivins Fund and the Hollen Fund for the ~~purpose~~ project, if necessary. The committee already ordered are to see if the necessary funds can be raised.

Burt Nelson is appointed to confer with the Permanent Board of the Yearly Meeting, so they may be informed and give permission if necessary. Since the land on which the meeting stands seems to be recorded in the name of Uxbridge Monthly Meeting, the Worcester Meeting which took the place of Uxbridge, will have to be consulted with in the matter.

The removal of the building, and more important, the very small number of workers, makes it necessary for us to notify the Quarterly Meeting, that after the meeting in 5th month in Bolton, we regret that we can no longer continue to be hosts to the Quarterly Meeting.

There Business being concluded we adjourn to the call of the Clerk.
